

# La Thuile 2023 - Les Rencontres de Physique de la Vallée d'Aoste

## lunedì 6 marzo 2023

### Dark Matter and Neutrino Physics (16:30 - 18:30)

-Coordinatori: Riccardo Paoletti

time	[id] title	presenter
16:30	[8] Status and prospects of the LEGEND experiment	SALAMANNA, Giuseppe
16:55	[6] Axions and other exotic light NP	FUCHS, Elina
17:20	Coffee Break	
17:40	[9] Recent Results from the PANDAX-4T Experiment	LIN, Si
18:05	[10] First results from the XENONnT Dark Matter Experiment	D'ANDREA, Valerio

# **martedì 7 marzo 2023**

## **Dark Matter and Neutrino Physics: continued (08:30 - 10:50)**

**-Coordinatori: Mikhail Danilov**

time	[id] title	presenter
08:30	[12] Perspectives of neutrino physics with CUPID	BIASSONI, Matteo
08:55	[13] Dark Matter Searches with Cosine-100, present and perspectives	LEE, Insoo
09:20	[14] Status of the Hyperkamiokande Experiment	MUELLER, Thomas
09:45	Coffee Break	
10:05	[57] New results from the DANSS experiment	SKROBOVA, Nataliya
10:30	[15] Neutrino anomalies and future prospects in neutrino physics	TERNES, Christoph Andreas
