

10th Bologna Workshop on Conformal Field Theory and Integrable Models

Tuesday, 5 September 2023

A nice and passionate journey in low-dimensional systems: An afternoon in honour of Francesco Ravanini - Aula Magna
(14:30 - 17:50)

time	[id] title	presenter
14:30	[178] A colloquial overture on two birthdays	FORAVANTI, Davide
14:50	[74] Did you know he has a Lamborghini? Francesco's Work, Life and (some) Secrets plus New Results on Minimal Form Factors	CASTRO ALVAREDO, Olalla
15:30	[104] How to get into an excited state	DOREY, Patrick
16:00	[105] Chang Duality in Ginzburg-Landau Quantum Field Theories	POMPONIO, Octavio
16:20	Coffee break	
16:40	[103] Sine-Gordon - a beautiful model of quantum fields	TAKACS, Gabor
17:20	[106] Entanglement and Quantum Information Classifiers for Quantum Phases of Matter	ERCOLESSI, Elisa
17:40	Thanks
