

IV International Workshop on Gravitomagnetism and Large-Scale Rotation Measurement

Wednesday, 14 June 2023

General Relativity: General Relativity - Room "Galileo Galilei" (10:10 - 13:10)

time	[id] title	presenter
10:10	[54] Testing Theories of Gravity by GINGER Experiment	CAPOZZIELLO, Salvatore
10:40	[33] Gravitomagnetic field and gravitational waves	RUGGIERO, Matteo Luca
11:10	Coffee Break	
11:40	[13] ACES: Testing general relativity with cold-atom clocks in space	CACCIAPUOTI, Luigi
12:10	[71] The ZAIGA Project	ZHAN, Mingsheng
12:40	[55] Seismic Isolation of Advanced Virgo+	BOSCHI, Valerio

General Relativity - Room "Galileo Galilei" (17:40 - 18:40)

time	[id] title	presenter
17:40	[35] Lorentz Violation and Sagnac Gyroscopes	TASSON, Jay
18:10	[49] Fundamental physics with table-top experiments: A particle theory perspective	ARVANITAKI, Asimina
