

Workshop on Beyond Three Family Neutrino Oscillations

Tuesday, 3 May 2011 - Wednesday, 4 May 2011

INFN - Laboratori Nazionali del Gran Sasso

Scientific Programme

The aim of the workshop is to discuss present anomalies and hints for sterile neutrinos.

The workshop will be divided into three sessions:

- 1) review of experimental findings;
- 2) phenomenology and cosmology with sterile neutrinos;
- 3) new proposals and future perspective.

DETAILED WORKSHOP AGENDA IS LISTED IN THE "TIMETABLE" SECTION.
