- Work & Budget Plan 1° Grant Period

Discussion on the W&B plan. Serkant Cetin proposes not to buy zoom licences if not explicitly needed. All accept this proposal

- Working Group: Plan of Activities

WGs leaders will create a mailing list for each WG. A common webmail will be used. Serkant Cetin proposes to create a e-indico account

WG meetings will start in January 2023

- Common Activities (Colloquium, JC)

Monthly Colloquium will start in Jan 2023. WG leaders will propose two speakers for each group in order to have a list ready for the first months

Young Investigators will lead the JCs and the organization of Colloquium

First JC will be announced in December 2022

- Young Investigator Council

First reports by Pierluca Carezza and Maria Benito. New meetings will be organized in order to involve all young investigators
