

Quantum Observables for Collider Physics

Friday, 10 November 2023

Final: Concluding talks - A (11:00 - 12:30)

time	[id] title	presenter
11:00	[32] Experimental perspective on the future of quantum information in collider physics	JUNG, Andy
11:45	[31] What's next in Top and Diboson?	AGUILAR SAAVEDRA, Juan Antonio
