

# Second ECFA Workshop on e+e- Higgs/EW/Top Factories, October 11-13, 2023, in Paestum (Salerno)

## Wednesday, 11 October 2023

### Parallel - WG1-PREC - Sala Saturno (16:00 - 18:00)

-Conveners: Paolo Azzurri; Ayres Freitas; Andreas Meyer; Adrian Irlles; Paolo Azzurri

time	[id] title	presenter
16:00	[66] W mass measurements at future e+e- colliders	WILSON, Graham
16:30	[43] Impact of NLO QCD on Key Physics Processes at Future Higgs Factories	ZHAO, Zhijie
17:00	[65] Precision absolute luminosity with photon pairs	WILSON, Graham
17:30	[73] Probing Radiative Neutrino Masses and Extra Fermions at the Future Circular Collider	MARZO, Carlo
