

Second ECFA Workshop on e+e- Higgs/EW/Top Factories, October 11-13, 2023, in Paestum (Salerno)

Wednesday, 11 October 2023

Parallel - WG1-SRCH+FLAV - Sala Cassandra (16:00 - 18:00)

-Conveners: Stephane Monteil; Rebeca Gonzalez Suarez; Aleksander Filip Zarnecki; Roberto Franceschini; David Marzocca; Pablo Goldenzweig

time	[id] title	presenter
16:00	[24] Understanding Lepton Number Violation at Future Colliders	ANTUSCH, Stefan
16:20	[58] Measuring lepton number violation at future lepton colliders	HAJER, Jan
16:40	[67] Hunting for heavy neutral leptons at future lepton colliders	REUTER, Jürgen
17:00	[98] Probing Lepton Flavor Violation at Circular Electron-Positron Colliders + Rare Top Decays as Probes of Flavorful Higgs Bosons	ALTMANNSHOFER, Wolfgang
