Neutron Stars to test Cosmology scenarios - Aula Magna - Dipartimento di Fisica (11:30 - 13:00)

-Conveners: Giuseppe Di Somma; Lucia Papalini

time	[id] title	presenter
11:30	[22] Infinite-duration Continuous Gravitational Waves from neutron stars in binary systems	Dr LEACI, Paola
12:00	[41] Non-local Gravity Cosmology	CAPOZZIELLO, Salvatore
12:30	[72] Gravitational wave generation in effective field theories of dark energy	BARAUSSE, Enrico
