

# GraSP23 || GravityShapePisa 2023

## Friday, 27 October 2023

### Machine Learning for Gravitational Waves - Auditorium room (10:00 - 11:00)

-Conveners: Lucia Papalini; Giuseppe Di Somma

time	[id] title	presenter
10:00	[74] Simulation-based inference for gravitational waves	GREEN, Stephen
10:30	[75] Generative Adversarial Networks applications for gravitational wave analyses	HENG, Ik Siong
