

TNPI2023 - XIX Conference on Theoretical Nuclear Physics in Italy

Wednesday, 11 October 2023

Strongly correlated nuclear systems (I) - II Palazzone (09:15 - 10:30)

time	[id] title	presenter
09:15	[35] IS presentation: NUCSYS	GIRLANDA, Luca
09:35	[5] Modelling neutrino-nucleus interactions for long baseline oscillation experiments	BARBARO, Maria Benedetta
10:10	[6] Nuclear models for inclusive lepton-nucleus process in the quasi-elastic and 2p-2h processes	BELOCCHI, Valerio
