

TNPI2023 - XIX Conference on Theoretical Nuclear Physics in Italy

Wednesday, 11 October 2023

Strongly correlated nuclear systems (II) - II Palazzone (11:00 - 12:00)

time	[id] title	presenter
11:00	[9] Cluster Effective Field Theory calculation of electromagnetic breakup reactions with Lorentz Integral Transform method	CAPITANI, Ylenia
11:20	[10] Study of dark matter scattering off 2H and 4He nuclei within chiral effective field theory	FILANDRI, Elena
11:40	[34] Recent Developments in β decay studies within the Nuclear Shell Model	DE GREGORIO, Giovanni
