

# The US Instrumentation R&D Roadmap

*Monday, 27 May 2024 08:50 (25 minutes)*

The decadal strategic planning process in the US, including Snowmass and P5, has recently been concluded with the release of the 2023 P5 report. I will present an overview of the main findings and recommendations, as well as a resulting roadmap for detector development. In addition, I will briefly outline the planned coordination of the generic parts of the detector R&D program.
