

QCD@Work - International Workshop on QCD - Theory and Experiment

martedì 18 giugno 2024

Session 2 - Palazzo delle Arti Beltrani (11:30 - 13:00)

-Coordinatori: Giuseppe Eugenio Bruno

time	[id] title	presenter
11:30	[32] QCD critical point, fluctuations and hydrodynamics	STEPHANOV, Mikhail
12:00	[37] Exploring QGP Signatures in Small System: Insights from ALICE in Pb-Pb and pp Collisions	PATRA, Rajendra Nath
12:20	[57] Hagedorn temperature in confining gauge theories from holography	BIGAZZI, Francesco
12:40	[38] Dense QCD matter and neutron stars from holography	SCHMITT, Andreas
