Session Program

Jun 18 – 21, 2024

QCD@Work - International Workshop on QCD - Theory and Experiment

Session 13

Trani - Italy , Palazzo delle Arti Beltrani

Fri, June 21

9:00 AM

Session 13

Session | **Location:** Trani - Italy , Palazzo delle Arti Beltrani | **Convener:** Marco Pappagallo

9:00 – 9:30 AM

Insights in nuclei and hypernuclei production in Pb-Pb collisions with ALICE

Speaker
Annalisa Mastroserio

9:30 – 9:50 AM

Revealing nucleus properties by exploring ultra-central symmetric heavy-ion collisions with scale-invariant initial states

Speaker
Seyed Farid Taghavi

9:50 – 10:10 AM

Collision Integrals for First-Order Phase Transitions

Speaker
Luigi Delle Rose

10:10 – 10:40 AM

Recent developments in HQET

Speaker
Gil Paz

10:50 AM
