

Bottom-Up Cross-Cutting Workshop “JENAS Initiative: Gravitational Wave Probes of Fundamental Physics”

Contribution ID: 63

Type: **not specified**

**Closing gaps in the GW spectrum: new physics with
muHz GWs and ideas to detect them**

Thursday, 15 February 2024 09:50 (25 minutes)

Presenter: BLAS TEMIÑO, Diego

Session Classification: GW detectors at all frequencies
