

Bottom-Up Cross-Cutting Workshop “JENAS Initiative: Gravitational Wave  
Probes of Fundamental Physics”

Contribution ID: 71

Type: **not specified**

## **Black holes as point particles: from amplitudes to self-force**

*Tuesday, 13 February 2024 17:25 (25 minutes)*

**Presenter:** GONZO, Riccardo (University of Edinburgh)

**Session Classification:** WG3: Fundamental problems in high-energy and gravitational physic
