

Bottom-Up Cross-Cutting Workshop “JENAS Initiative: Gravitational Wave
Probes of Fundamental Physics”

Contribution ID: 73

Type: **not specified**

**A degeneracy between the effect of dark matter and
strongly interacting matter at high densities**

Monday, 12 February 2024 17:30 (25 minutes)

Presenter: SAGUN, Violetta (University of Coimbra)

Session Classification: WG1: Matter under extreme conditions
