

Bottom-Up Cross-Cutting Workshop “JENAS Initiative: Gravitational Wave
Probes of Fundamental Physics”

Contribution ID: 75

Type: **not specified**

Quantum Gravity Effects on Dark Matter and Gravitational Waves

Tuesday, 13 February 2024 18:15 (25 minutes)

Presenter: ROSHAN, Rishav (University of Southampton)

Session Classification: WG3: Fundamental problems in high-energy and gravitational physic
