

XXXI International Conference on Neutrino Physics and Astrophysics

Thursday, 20 June 2024

S11: Solar and Geo neutrinos - Aula Magna (U6 building) (11:20 - 12:35)

time	[id] title	presenter
11:20	[664] Solar Neutrinos: Recent Results and Prospects	MANEIRA, Jose
11:45	[665] Geoneutrinos - a new tool to study the Earth.	LUDHOVA, Livia
12:10	[666] Developments in nu applications to the geosciences	ROTT, Carsten
