

XXXI International Conference on Neutrino Physics and Astrophysics

Saturday, June 22, 2024

S18: New technologies and applications - Aula Magna (U6 building) (9:00 AM - 10:15 AM)

time	[id] title	presenter
9:00 AM	[674] Novel concepts of light sensors and light detection techniques for neutrino physics	SEGRETO, Ettore
9:25 AM	[675] Novel Liquid Technologies	YEH, Minfang
9:50 AM	[676] Reactor Monitoring and non proliferation	KNEALE, Liz
