

XXXI International Conference on Neutrino Physics and Astrophysics

Saturday, 22 June 2024

S18: New technologies and applications - Aula Magna (U6 building) (09:00 - 10:15)

time	[id] title	presenter
09:00	[674] Novel concepts of light sensors and light detection techniques for neutrino physics	SEGRETO, Ettore
09:25	[675] Novel Liquid Technologies	YEH, Minfang
09:50	[676] Reactor Monitoring and non proliferation	KNEALE, Liz
