

# XXXI International Conference on Neutrino Physics and Astrophysics

## Monday, 17 June 2024

**S1: 3 flavour neutrino oscillations 1 - Aula Magna (U6 building) (11:10 - 12:30)**

| time  | [id] title   | presenter        |
|-------|--|------------------|
| 11:10 | [688] T2K experiment status and plans                                  | GIGANTI, Claudio |
| 11:35 | [689] New neutrino oscillation results from NOvA with 10 years of data | WOLCOTT, Jeremy  |
| 12:00 | [690] Global analysis of three-neutrino oscillations                   | TÓRTOLA, Mariam  |
