

# XXXI International Conference on Neutrino Physics and Astrophysics

## Friday, 21 June 2024

**S15: Nu Interaction 2 - Aula Magna (U6 building) (11:00 - 12:50)**

time	[id] title	presenter
11:00	[710] High-precision neutrino interaction measurements with MicroBooNE	PAPADOPOULOU, Afroditi
11:20	[711] The ENUBET monitored neutrino beam and its implementation at CERN	BRUNETTI, Giulia
11:40	[712] Unveiling neutrino interactions with new electron scattering data	TENA VIDAL, Julia
12:00	[713] Overview of current status and prospects on CEvNS	NASTEVA, Irina
12:30	[714] COHERENT	GREEN, Matthew
