

# QFC2024- Quantum gases, fundamental interactions and cosmology

## Thursday, 24 October 2024

### Quantum Gases - Keynote speeches (08:45 - 09:30)

-Conveners: Guglielmo Maria Tino

time [id] title

presenter

08:45	[24]	What can we learn from testing the gravitational field of a quantum source	GIACOMINI, Flaminia
-------	------	--	---------------------

# Friday, 25 October 2024

## Quantum Gases - Keynote speeches (08:30 - 09:15)

-Conveners: Ignazio Bombaci

time [id] title

presenter

08:30	[21] New Opportunities for Sensing via Continuous Measurement	YANG, Dayou
-------	---	-------------
