7. OUTDOOR ACTIVITIES

The Conference venue is a few steps from the start of the sky slopes.

The Instructors of la Thuile Sky School organize special classes for the Conferences. Usually we have three classes: beginners, medium level, and advanced skiers. Classes are free of charge, but we request that interested people inform us. There are other possibilities: from cross-country sky (there are several paths in La Thuile area), to paths for walking with snowshoes so that you can enjoy the spectacular views of the area.

We remind you that main shops renting sky equipment have special discounts for Conference participants upon presentation of their conference badge.

8. SKI PASSES

The participants in the Rencontres will be able to purchase sky passes at a reduced rate at the cable car ticket gates. The Secretariat of the Rencontres will issue the required certificates. No photograph will be needed.

The use of a helmet for skiing or snowboarding will be mandatory for children under 18. The use of a helmet is in any case strongly recommended for everyone.

According to Italian law, third party liability insurance is mandatory for skiing. In our ski area, rescue on the slopes with a toboggan is subject to a fee (200 euros): if you have a personal liability insurance policy, we invite you to check that this service is included.

If participant does not have any insurance, it is possible to purchase the "Snowcare" insurance when purchasing the ski pass: this policy covers civil liability, legal protection and first aid expenses.

The cost of the same is €3.00 per day per person while for Babies<8 it is €1.50 per day per person.
