

Present and future perspectives in Hadron Physics

Wednesday, 19 June 2024

Invited talks (09:00 - 11:00)

-Conveners: Laura Tolos

time	[id] title	presenter
09:00	[20] Review on strangeness hadron physics	RAMOS, Angels
09:30	[22] Thermalization in small and large systems in heavy ion collisions	MAZELIAUSKAS, Aleksas
10:00	[21] Jet quenching in heavy ion collisions	ANDRES, Carlota
10:30	[27] Precision Hadron Spectroscopy - Light and Heavy Quarks	KÜSSNER, Meike
