

Present and future perspectives in Hadron Physics

Wednesday, June 19, 2024

Invited talks (9:00 AM - 11:00 AM)

-Conveners: Laura Tolos

time	[id] title	presenter
9:00 AM	[20] Review on strangeness hadron physics	RAMOS, Angels
9:30 AM	[22] Thermalization in small and large systems in heavy ion collisions	MAZELIAUSKAS, Aleksas
10:00 AM	[21] Jet quenching in heavy ion collisions	ANDRES, Carlota
10:30 AM	[27] Precision Hadron Spectroscopy - Light and Heavy Quarks	KÜSSNER, Meike
