

Turin Lattice Meeting 2023

Friday, 22 December 2023

Machine learning for Lattice Field Theory - Aula C (11:15 - 12:45)

| time | [id] title | presenter |
|-------|---|----------------|
| 11:15 | [5] The quest for the lost mode: Overcoming Mode-Collapse in Flow-Based Sampling for Lattice Field Theories | NICOLI, Kim |
| 11:45 | [8] Flow-based sampling for Effective String Theory | CELLINI, Elia |
| 12:15 | [7] Symmetry equivariant neural networks | FAVONI, Matteo |
