

ASPERA Technology Forum on Mirrors and Lasers in Astroparticle Physics Infrastructures

Friday, 21 October 2011

Simulation and Quantum Optics - Auditorium (14:25 - 15:25)

time	[id] title	presenter
14:25	[15] Quantum optics in present and future GW experiments	Dr KHALAIDOVSKI, Alexander
14:55	[12] Simulation issues for GW experiments	Dr FREISE, Andreas
