

# ASPERA Technology Forum on Mirrors and Lasers in Astroparticle Physics Infrastructures

## Thursday, October 20, 2011

### Mirrors - II - Auditorium (2:45 PM - 4:15 PM)

time	[id] title	presenter
2:45 P	[M] Substrates, polishing, coatings and metrology for 2nd generation GW detectors	PINARD, Laurent
3:15 P	[M] Substrates and nano-structured surfaces for 3rd generation GW observatories	Dr KLEY, Bernhard
3:45 P	[M] Cold-slumped glass mirrors	GIRO, Enrico
