

# Invisibles24 Workshop

## Wednesday, July 3, 2024

**Day 3: Jessica Turner - Gravitational waves from GUT and HEP - Aula Giorgio Prodi - San Giovanni in Monte, University of Bologna (9:15 AM - 9:45 AM)**

time	[id] title	presenter
9:15 AM	[98] Jessica Turner - Gravitational waves from GUT and HEP	TURNER, Jessica

**Day 3: Miguel Vanvlasselaer - Interaction between the plasma and the bubble during FOPTs - Aula Giorgio Prodi - San Giovanni in Monte, University of Bologna (9:45 AM - 10:15 AM)**

time	[id] title	presenter
9:45 AM	[101] Miguel Vanvlasselaer - Interaction between the plasma and the bubble during FOPTs	VANVLASSELAER, Miguel

**Day 3: Bradley Kavanagh - Black holes inspirals: lessons for dark matter - Aula Giorgio Prodi - San Giovanni in Monte, University of Bologna (10:15 AM - 10:45 AM)**

time	[id] title	presenter
10:15 AM	[103] Bradley Kavanagh - Black holes inspirals: lessons for dark matter	KAVANAGH, Bradley

**Day 3: Oleksii Matsedonskii - News on cosmological selections of the weak scale - Aula Giorgio Prodi - San Giovanni in Monte, University of Bologna (11:15 AM - 11:45 AM)**

time	[id] title	presenter
11:15 AM	[105] Oleksii Matsedonskii - News on cosmological selections of the weak scale	MATSEDONSKYI, Oleksii

**Day 3: Simone Blasi - GW signatures of domain walls - Aula Giorgio Prodi - San Giovanni in Monte, University of Bologna (11:45 AM - 12:15 PM)**

time	[id] title	presenter
11:45 AM	[108] GW signatures of domain walls	BLASI, Simone

**Day 3: Javi Serra - BSM at finite density - Aula Giorgio Prodi - San Giovanni in Monte, University of Bologna (12:15 PM - 12:45 PM)**

time	[id] title	presenter
12:15 PM	[110] Javi Serra - BSM at finite density	SERRA, Javi
