

ICFDT7 - 7th International Conference on Frontier in Diagnostic Technologies

Tuesday, 22 October 2024

Diagnostic for Astrophysics and Space: Chair: C. Mazzotta (14:55 - 15:25)

time	[id] title	presenter
14:55	[109] Characterization of laser-produced strongly coupled plasma with density and temperature relevant to solar photosphere	YUN, Gunsu
15:15	[69] The X-ray calibration facility for the characterization of Gas pixel Detectors	MALDERA, Simone Paolo
