

INFN School on Underground Physics (SoUP2024)

Monday, October 14, 2024 - Friday, October 18, 2024

CEUB, Bertinoro

Scientific Program

Plenary Lectures

Dark Matter Phenomenology

Neutrino Phenomenology

Axion Phenomenology and Detectors

Noble Liquid Detectors

Solid State Detectors

Liquid Scintillator and Water Cherenkov Detectors

Statistics Principles and Hands-On

Material Screening

Photon Detectors

Poster Session

Speed Talk Presentation
