### Nuclear Structure far from Stability (09:00 - 11:00)

time	[id] title	presenter
09:00	[115] Perspectives in transfer reactions at next generation European RIB facilities	BEAUMEL, Didier
09:30	[113] Shell structure far off stability studied via high-energy reactions	NOCIFORO, Chiara
10:00	[31] Isomeric beams: population of high-spin states in projectile fragmentation	Dr PODOLYAK, Zsolt
10:20	[36] Spectroscopic factors far from stability	Dr GILLIBERT, Alain
10:40	[55] Isomer and ground-state properties of stored exotic nuclei	Prof. WALKER, Phil
