Session III (plenary): Neutrino masses, states and interactions (09:00 - 12:00)

time	[id] title	presenter
09:00	[210] Beta decay and neutrino mass: KATRIN and beyond	SCHLÖSSER, Magnus
09:30	[211] Neutrinoless double beta decay: Towards ton-scale experiments	BELLINI, Fabio
10:00	[212] Theory of neutrinoless double beta decay: Perspectives	HOLT, Jason
10:30	[224] Announcement #6	
10:31	Coffee Break	
11:00	[213] COHERENT and the future of CEvNS	PERSHEY, Daniel
11:30	[214] Understanding neutrino cross sections	MESSERLY, Benjamin
