

GWEECS is an organisation designed to unite different communities of early career scientists working on GWs to:

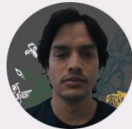

- Become a constructive voice for the future GW community
- Address the needs of ECSs and foster a healthy environment
- Share career opportunities and learn valuable soft skills
- Ensure that the GW community builds long-lasting communication channels.

GWECs Job Fair

- We are collecting available positions in a spreadsheet <https://forms.gle/WL1eaYSYpSiqpzqcA>
- In the end of November, **online event**: the recruiters present their group, and the early career scientists introduce themselves.
- In mid-November: **soft-skill event** with suggestions on how to prepare an application.

You are welcome to:

- Subscribe to the **GW ECS mailing list**: we share news, career opportunities and other announcements.
- Contribute actively to our work by joining the GW ECS offices.
- Check out all the information in the GW ECS website: www.gwecs.org
