Computational Theoretical Physics @ICSC

Monday, 20 May 2024 14:50 (15 minutes)

Following a brief introduction to the computational theoretical physics projects at INFN, we will explore the computational resources available at ICSC (LEONARDO and HPC bubbles) that can be utilized to support these research efforts.

Primary authors: COSMAI, Leonardo (Istituto Nazionale di Fisica Nucleare); PEPE, Michele (Istituto Nazionale di Fisica Nucleare)

Presenter: COSMAI, Leonardo (Istituto Nazionale di Fisica Nucleare)

Session Classification: Sessione "Esperimenti e calcolo teorico"

Track Classification: Esperimenti e Calcolo Teorico
