Hackathon: final reports

Friday, 4 October 2024 17:30 (20 minutes)

Each group should prepare 3 slides:

- 1) Problem statement
- 2) Chosen architecture and strategy
- 3) Results (showing the FOM indicated in the challenge)

Send us the slides by email at aiphy@unimib.it

Project proposal: general context

Project proposal: description of the problem

Machine learning methods

Input dataset

Goal and FOM

Session Classification: Hackathon
