

LFC24 - Fundamental Interactions at Future Colliders

Monday, 16 September 2024

General - A-128 (14:00 - 17:30)

-Conveners: David Marzocca

time	[id] title	presenter
14:00	[23] Workshop Opening	
14:15	[1] Near-future, Future and Futuristic Collider Physics	MALTONI, Fabio
15:00	[2] Experimental status on SM and Higgs physics	DELL'ASTA, Lidia
15:40	Coffee break	
16:10	[3] Experimental status on BSM searches	SOFFI, LIVIA
16:50	[4] Entanglement in high energy collisions	FABBRICHESI, Marco

Friday, 20 September 2024

General - A-128 (09:00 - 13:00)

time	[id] title	presenter
09:00	[30] Open questions & future prospects in particle physics	ISIDORI, Gino
09:35	[33] Future Colliders	MANGANO, michelangelo
10:10	Coffee break	
10:40	[31] Future collider: technology challenge and roadmap	Prof. ROSSI, Lucio
11:15	[32] Experimental perspective for Future Colliders	COBAL, Marina
11:50	[34] Round table	ISIDORI, Gino Prof. ROSSI, Lucio COBAL, Marina MANGANO, michelangelo
