

LFC24 - Fundamental Interactions at Future Colliders

Wednesday, 18 September 2024

Heavy Flavour - A-128 (09:00 - 12:30)

-Conveners: Nejc Košnik; Francesco Tramontano; Nejc Košnik

time	[id] title	presenter
09:00	[17] Exploring CP Violation in heavy flavor physics: latest results and future prospects	BRAGAGNOLO, Alberto
09:30	[18] Flavour at future e+e- machines	Dr FEDELE, Marco FEDELE, Marco
10:00	[19] Heavy quark fragmentation	STAGNITTO, Giovanni
10:30	Coffee break	
11:00	[20] Flavour of New Physics in dilepton tails at hadron colliders	ALLWICHER, Lukas
11:30	[21] Higgs and gauge boson decays in e+e- machines	TAMMARO, Michele
12:00	[22] Constraints on top quark interactions from global analyses	RODRIGUEZ SANCHEZ, Antonio
