

CYGNO General Meeting 12/9/2024

- **Welcome back to everybody!**
- All WP meeting have restarted or are restarting:
  - Analysis, Simulation, Design&Construction;
  - DAQ?
  - plan to restart next week the WP6 one to discuss current situation about FC+cathode proposals
- Next week, 19/20 we are going to have a couple of days of discussion (in person) about the details of the status of some analysis items at GSSI. This proposal arose in the latest days from the need to discuss with 3D, PMT, NR experts the results of Luca's thesis before the final discussion. A zoom link will be available. More details will arrive by email;
- Next week there will be the INFN-Committee meeting where our financial requests will be discussed. News on the next General Meeting;
