

# Muon4Future 2025

## Tuesday, 27 May 2025

### Muon Beams Technologies - Palazzo Franchetti (12:00 - 13:00)

| time  | [id] title  | presenter            |
|-------|---|----------------------|
| 12:00 | [76] Study and result of target for muon production | HEDGES, Michael      |
| 12:30 | [77] Result of muon cooling at PSI                  | LOSPALLUTO, Giuseppe |

### Muon Beams Technologies - Palazzo Franchetti (14:00 - 16:30)

| time  | [id] title   | presenter          |
|-------|--|--------------------|
| 14:00 | [78] Results on muon cooling at acceleration at J-PARC |                    |
| 14:30 | [79] Development in muon ionizing cooling              |                    |
| 15:00 | [81] Muon beams acceleration                           |                    |
| 15:30 | [83] Muon beams manipulation with crystals             | MAZZOLARI, Andrea  |
| 16:00 | [127] Intensity Muon Beams (HIMB) project              | DAL MASO, Giovanni |
