

Contribution ID: 29

Type: **Oral presentation**

Ion beam cocktail development and ECR ion source plasma physics experiments at JYFL

Wednesday, June 10, 2009 12:30 PM (20 minutes)

Primary author: Dr TARVAINEN, Olli (University of Jyväskylä, Department of Physics, Accelerator Laboratory)

Co-authors: Dr KOIVISTO, Hannu (University of Jyväskylä, Department of Physics, Accelerator Laboratory); Mr KALVAS, Taneli (University of Jyväskylä, Department of Physics, Accelerator Laboratory); Mr ROPPONEN, Tommi (University of Jyväskylä, Department of Physics, Accelerator Laboratory); Mr TOIVANEN, Ville (University of Jyväskylä, Department of Physics, Accelerator Laboratory)

Presenter: Dr TARVAINEN, Olli (University of Jyväskylä, Department of Physics, Accelerator Laboratory)

Session Classification: ION SOURCES

Track Classification: Ion Sources and Ion Traps
