Type: **Invited**

Present and Future of Electrostatic Accelerators

Tuesday, June 9, 2009 9:00 AM (30 minutes)

Primary author: Dr WEISSER, David (Department of Nuclear Physics, Research School of Physics and Engineering, Australian National University)

Presenter: Dr WEISSER, David (Department of Nuclear Physics, Research School of Physics and Engineering, Australian National University)

Session Classification: ELECTROSTATIC ACCELERATORS

Track Classification: Electrostatic Accelerators
