Type: **Invited**

## **Present and Future of Electrostatic Accelerators**

*Tuesday, June 9, 2009 9:00 AM (30 minutes)*

**Primary author:** Dr WEISSER, David (Department of Nuclear Physics, Research School of Physics and Engineering, Australian National University)

**Presenter:** Dr WEISSER, David (Department of Nuclear Physics, Research School of Physics and Engineering, Australian National University)

**Session Classification:** ELECTROSTATIC ACCELERATORS

**Track Classification:** Electrostatic Accelerators
