

EuCAIFCon 2025

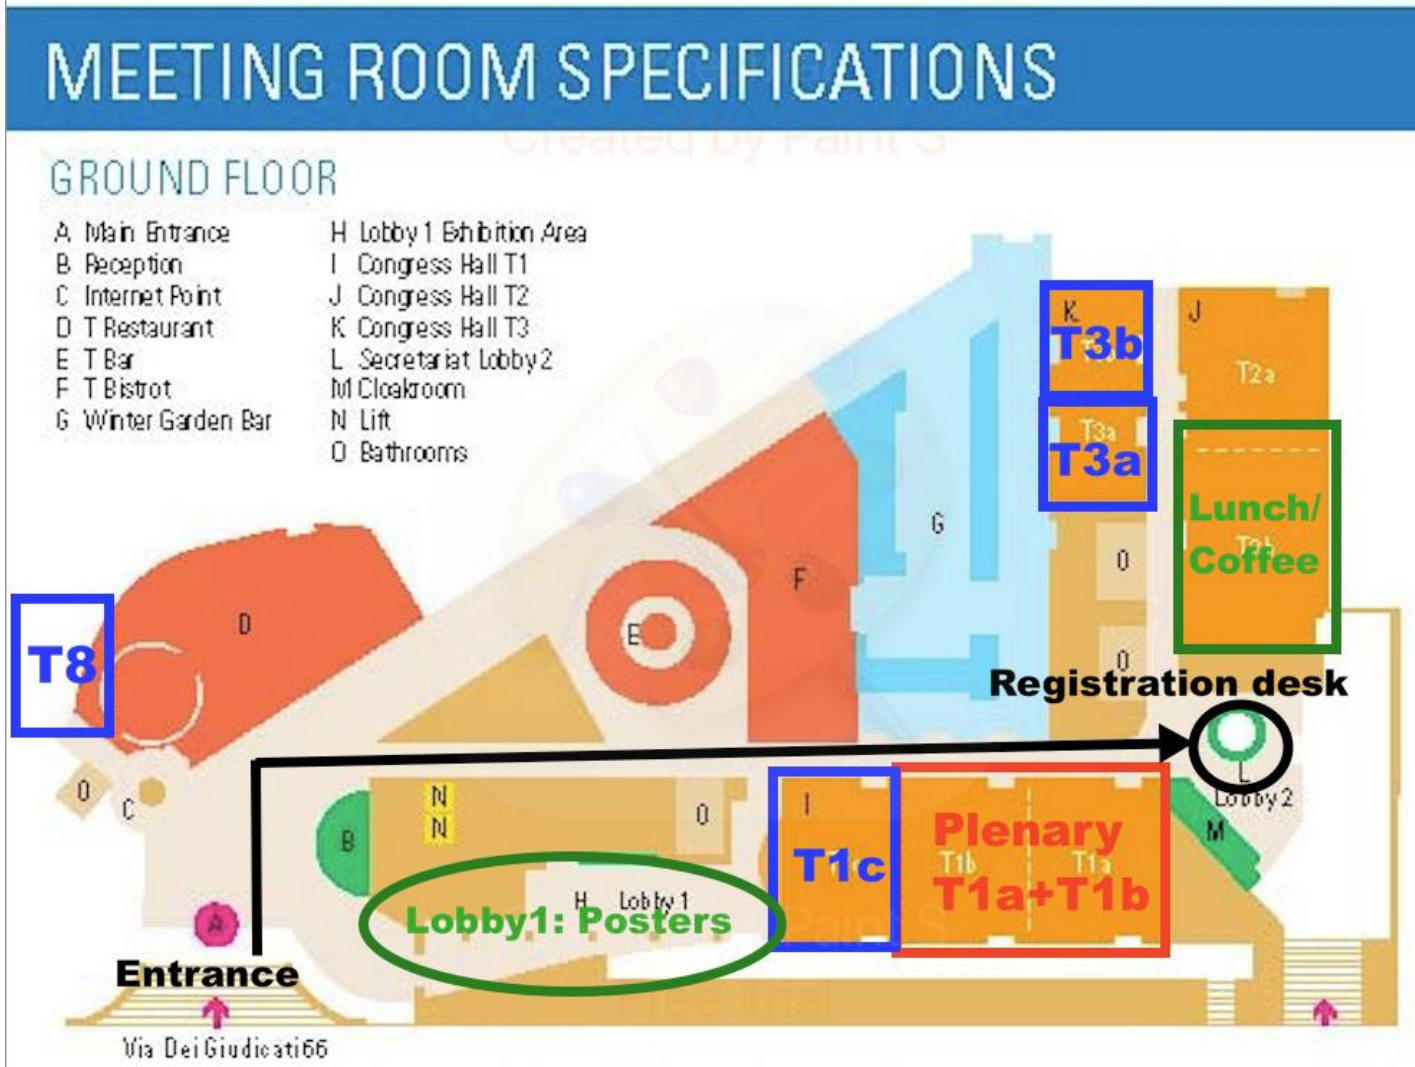

**EUROPEAN AI FOR
FUNDAMENTAL PHYSICS
CONFERENCE**

**Welcome
from the local team
(INFN CA, UniCA & UniSS)**

Cagliari, Italy | June 16th - 20th

Conference map and info

- All lunches/coffee breaks are in the same room (T2b), except today's break which is in Lobby
- For **help/info** ask at the registration desk or people from **Kassiopea** and/or **local team** (see indico overview)

Wifi Connection

SSID: TH-INTERNET

Social Dinner - Thursday 7pm

- Location: [Convento San Giuseppe](#)
- Participants who specified social dinner at the registration should have received instructions:
 - There will be a transport leaving from the hotel at around 7pm and leaving from the restaurant, back to the hotel at 22:30
 - Due to the high number of late registrations there are very few spots for extra people, come and find me if you need one (but I cannot guarantee anything)

Enjoy Cagliari

- Have a look at:
<https://cagliariturismo.comune.cagliari.it/>
- Suggestions:
 - **City Centre (20/30 min on foot)**. Old part of the city, full of history, beautiful views (from the Bastione), restaurants, pubs, bars, shopping/souvenirs
 - **Poetto** (by taxi/bus, unless you are a runner): Cagliari's closest beach perfect for an aperitif
