BridgeQG: Bridging high and low energies in search of quantum gravity

Tuesday, 24 June 2025 12:50 (30 minutes)

In this talk, I will give an overview of the state of the art and key open questions of this research programme and describe the related activities of the COST Action BridgeQG (Bridging high and low energies in search of quantum gravity).

Primary author: GUBITOSI, Giulia (University of Naples)

Presenter: GUBITOSI, Giulia (University of Naples)

Session Classification: Tuesday Plenary Session
