

15th annual conference on Relativistic Quantum Information (North)

Tuesday, 24 June 2025

Tuesday Plenary Session: Block 1 (09:15 - 10:55)

time	[id] title	presenter
09:15	[184] Table-top tests of quantum gravity: to entanglement and beyond	HOWL, Richard
09:55	[185] Waiting around for Unruh	LOUKO, Jorma
10:25	[186] Stimulated emission or absorption of gravitons by light	SCHÜTZHOLD, Ralf

Tuesday Plenary Session: Block 2 (11:30 - 13:20)

time	[id] title	presenter
11:30	[168] Testing quantum gravity	CARNEY, Daniel
12:10	[188] Atom interferometry applied to gravitational measurements	ROSI, Gabriele
12:50	[189] BridgeQG: Bridging high and low energies in search of quantum gravity	GUBITOSI, Giulia
