

## LNL Wifi Internet Access

- ❖ An **eduroam** wifi network will be available in all meeting areas. Please, download and enable it on your computer before your arrival if you have not done it yet. And check if well set up.
- ❖ For those who have an INFN account, the **WiFi SSID: INFN-dot1X** will be available.

Participants who are not enabled to join **WiFi SSID eduroam** or/and **INFNdot1X** are kindly requested to follow up this procedure **before coming to LNL**:

1. **register** in the INFN Identity database\*: <https://signup.app.infn.it/>

- specify Name, Family Name, mail address and choose a password;
- validate the registration by using the link received by email.

*\*If you are already registered in the INFN Identity database skip point 1 and go to point 2)*

2. **connect** to: <https://userportal.app.infn.it/> \*\* and follow these steps:

*\*\*If you already applied for IT Resources and you have an INFN-AAI account, skip point 2)*

- log-in with the email address and the password entered in the above registration
- click on Enabling Requests;
- click on IT Resources and press Next Step;
- provide the required personal data, necessary to obtain your request;
- read and accept the information note on the processing of personal data at INFN and press Next Step;
- choose the site where to carry out your identification: Laboratori Nazionali di Legnaro, add the message: WIFI ACCESS “**Quarta Giornata Acceleratori**”, and press Next Step;
- choose the site (as above) and the contact person who will have to approve your request: **Enrico Fagotti**;
- read and accept the regulation for the use of INFN computing resources and press Next Step;
- verify the entered data and press Submit.

**Access to Wi-Fi network will be available after accreditation at the reception desk.**
